Looking Ahead

Science/Social Studies: We will be learning about food chains and food webs as well as forms of energy. We will also be looking at renewable and nonrenewable natural resources.

Math-This week we will continue to work on multiplication. We will be able to identify all of the properties of multiplication as well as multiply numbers with multiples of 10 and 100.

Reading- We will continue to identify cause and effect situations in our reading. We will finish reading our class book; *Erindle* this week.

Writing- We will prepare for our Writing CDB with revising and editing practice.

Contact Information: To contact your child's teacher via phone, call the school at 398-1750 and ask for your teacher's extension:
